

A Special Private Event:

Investment Strategies for Volatile Times

 First Trust

Tim Daniel
VP First Trust Portfolios

Volatile stock markets have created a demand for products that provide growth potential and reduce risk in declining markets. Please join us for an economic update and introduction to structured investments. These are designed to provide various levels of principal protection, unique payoff features and access to a broad range of asset classes and market sectors.

Robert Stein
Deputy Chief Economist

Robert Stein was Chief Economist for the Senate Budget Committee on Capitol Hill and Assistant Secretary for Economic Policy at the U.S. Treasury Department. He is currently Deputy Chief Economist at First Trust Advisors and will provide a brief introduction and view of the economy from the steps of Washington, discuss economic indicators and his forecast for the remainder of the year.
